Your Mac/PC goes where you go. Now it can travel in sleek, protected style with this Amazon Basics 13-inch felt laptop sleeve. Designed for 13-inch laptops including MacBook Pro Retina or 13-inch MacBook Air laptop, the savvy sleeve can also be used with most 11-inch Ultrabook or MacBook laptops. Use the laptop sleeve as a convenient carrying case or simply as a sleeve before placing into another bag.

Overall Protection

The sleeve's high-quality felt exterior offers your device an important layer of protection. Its interior lining consists of a soft suede fabric that won't scratch your computer for long-lasting performance.

Thoughtful Craftsmanship

The materials used to create the felt laptop sleeve offer superior strength and a soft hand feel. A fold-over flap with a plastic- and metal-free, synthetic-leather, Velcro fastener ensures a secure closure while adding a sophisticated and attractive element of stylish detail.

Holds More than Your Laptop

HEBEI HUASHENG FELT CO.,LTD

The laptop sleeve provides a main compartment for your laptop and a second, slightly smaller front compartment for a tablet, books, pads of paper, magazines, or other similar items. The laptop sleeve also comes with two back pockets for stashing smaller items such as a wallet, a smartphone, earbuds, or ID cards.
